

# 2019 CE Classes

**For Insurance Adjusters and Agents  
From: ServiceMaster Professional Services**

No classes are scheduled at this time. We discovered an important issue which needs to be addressed first.

3-7-19

It was recently discovered that there was a discrepancy between the Sircon listing of our companies CE coordinator and the State of MN listing. This happened when our previous CE Coordinator moved to Texas and his replacement was improperly filed. The lapse in being a CE provider just occurred a few weeks ago without our knowledge.

Since we are in good standing with the Department of Commerce and we have offered CE successfully for nearly twenty years, we can be a CE provider without penalty or restriction. However that will take a number of weeks to file all the required paperwork. A new schedule of classes will be posted at a later time when this is complete.

Regretfully,  
Fred McGuire
